

SAUHRUDAM CLUB

ACTIVITY REPORT 2024-2025

1. World Environment Day

As part of observing World Environment Day 2024, the Souhrudam Club, in collaboration with the Department of Social Work, organized a sapling, seed pen and chekutty dolls distribution initiative. Held on June 5th, the event aimed to promote sustainable environmental practices among students and members of the nearby community. Saplings and seed pens were distributed across the campus and in the surrounding areas, including Chirappady, Puthuppady, and Karakkunnam. The primary goal of the program was to raise awareness about environmental sustainability and encourage active participation in green initiatives. By involving both students and local residents, the initiative sought to foster a sense of responsibility towards nature and the importance of environmental conservation. The event successfully brought together the campus and community in a shared effort to contribute towards a greener future, in line with the spirit of World Environment Day.

2. Pothichor distribution

10 students selected from B.Com 1st year 2nd year and 3rd year students. On 17/10/24, they visited the homes around the college and requested to give minimum 1 food pack for distributing as a part of poverty alleviation campaign. On 18th October morning 10 students collected around 80 food pack from the homes and students divide into two groups and first group distributed food packs in Kothamangalam municipality and second group distributed foodpacks in muvattupuzha municipality. Department of Commerce in association with Sauhrudam club organised the programme.

3. Snehakoodu

Department of Social Work in association with Sauhrudam club organised an awareness class and cultural programme for elderly on 21st November 2024. The programme was organised in association with Vayomitram, Muvattupuzha. The programme aimed to maintain an overall well- being for elderly through classes and games.
